

## Announcement from Wilcox

The Wilcox Literacy Lab classes, led by Ms. Alecia Walkuski, and Senior Creative Writing classes, led by Ms. Danna Gizzie, are proud to announce that ONE HUNDRED AND ONE freshmen, sophomore, and senior students have been selected to have their writing published by YoungWriters USA, a nationwide writing publication for students ages 10-18.

These **101** students were invited to write a mini saga for “Hunted,” the short story contest designed to help students find their voice and express themselves, which was published in the book, *Hunted-Survival Sagas*, released on February 29, 2024. Editorial review and selections take “a broad view of what makes a good story: perception, imagination, and creativity are important as well as expression, originality and use of language.”
